

Spoils Application Request Form for Perryville and Perry County, Missouri, Property Owners

In accordance with the Spoils Handling Policy, set forth by the City of Perryville, I will provide the following information required to complete the process for land spoils application on my property. This process includes the following:

- 1) Completion of the Spoils application Request form.
- 2) Inspection of the property by the Public Works Director and/or Superintendents from Water & Sewer, Natural Gas, or Street & Refuse Divisions. This is to verify the condition of the property on which the spoils will be deposited.
- 3) A review will be held by the Public Works Director, City Administrator, and the Board of Alderman for the purpose of approving the application.
- 4) Written notification to the property owner of an approved/disapproved application.

If your property has been approved for land application of the spoils, you the property owner, will be responsible for the leveling of spoils on your property and also the leveling of any ruts made by the trucks or equipment doing the hauling on your property.

I (Property Owner's Name) _____ request the City of Perryville to deliver Spoils such as dirt, or mud, concrete chunks, or Asphalt chunks, gravel or Street Sweepings to my property which is locate at the following'

address: _____.

My intended use of these spoils is for _____.

I submit this to the City of Perryville with the understanding that no guarantees or promises are to be made as to the quantity of spoils that will be delivered to my property. I further understand that the spoils that are delivered will be on a first-served basis, when weather and soil conditions allow for the safe application.

The City of Perryville will always follow the "best management practices" as far as the unloading of Spoils in all weather conditions.
