SEE CITY ORDINANCE FOR TRACER WIRE REQUIREMENTS. MO ONE CALL VIOLATIONS WILL RESULT IN A CITATION FOR MUNICIPAL COURT, AND THE DIGGER IS LIABLE FOR DAMAGES.

**Acknowledgement and Agreement
Surface Water Policy Implementation**

(To be attached to all building permits issued within interior basin or flood plains)

We, the undersigned owners of the property to be improved by the construction indicated in the sinkhole development application attached hereto and incorporated herein by reference, do hereby acknowledge that I (we) have been advised that our proposed construction is within the interior basin or one of the floodplain of the city of Perryville and that because of the unique geological formations underlying the City of Perryville our property may be subject to flooding or surface water invasion. Being so advised, and after reviewing our property in connection with the geological and topographic nature of the area we still desire to proceed with building the proposed improvement.

We further acknowledge that our construction is within an area that the City has determined to be particularly prone to flooding or surface water invasion and therefore we do hereby agree to release and indemnify and hold harmless the City of Perryville and its agents and employees from all actions, claims, demands, liability, lawsuits of any type whatsoever, whether at law or in equity, that may arise from the flooding to our property or surface water invasion of our property.

We further acknowledge and agree that this document shall be binding on the parties hereto, their executors, heirs and assigns.
